

"The Almost Invulnerable" — Mr. Shaffer

Sportlights

Six foot-two, and eyes of blue; that's Jerry Berzanskis. Having already left a legacy of rebounds from a successful basketball career, he is now in the midst of carving a niche for himself in the Baseball Hall of Fame. Jerry hopes to improve on his last year's batting average of .417. He eagerly accepts his run producing responsibilities when batting in the cleanup slot. He is also the team's number one pitcher.

Jerry enjoys working with "figures," and as Holy Trinity's Student Council Treasurer, these funds weigh heavy on his mind.

"Turk's" success hinges on his pre-dentistry curriculum which he is taking at Stonehill College this September.

Jack Bell, co-captain of Trinity's slugging nine, needs no formal introduction. He ties down the "hot corner" on the baseball diamond, and ties down his scholastic average behind the desk. He can handle with ease any "slow hop" that bounces his way. His .460 batting average is among the highest in Union County.

Whether wheeling to school in his modified '59 Ford, or free-wheeling with guitar in his group the "Cherry Frost," Jack has that familiar face.

Jack plans a medical career for the future. His preliminary studies begin next year at Villanova University.

Veteran of three successful varsity campaigns, Jack is a mirror image of the responsible Trinity scholar-athlete.

to see Volleyball Day become an annual event." He added, "The administration should be thanked and lauded for realizing that physical education is an integral part of the school's curriculum."

Mr. Shaffer's volleyball accomplishments are past, present, and future. During the Easter vacation, he traveled to Fordham University to play the varsity basketball team. It was indeed a challenge, for the players ranged in height from 6' 2" to 6' 7". His rugged performance capped another victory.

This summer Mr. Shaffer will be sponsored by Shaeffer Brewery Co. and will tour army bases for the 1st Army.
